

ENpowered Engineering Summer Middle School Camp

@Hancock High School

4034 W 56th St, Chicago, IL, 60629

During camp, students will work in teams to design, build and program Lego robots to perform various renewable energy based challenges. Students will also complete an electronics programming and building challenge using Arduino Kits.

Program Details

Who is eligible to apply: CPS students who are *currently* in 5th, 6th or 7th grade

Time: 9am – 3pm
Monday - Friday

Dates:
Session I: July 16th – July 27th
Session II: July 30th – August 3rd

(Students must attend everyday of their session; each session will complete the same projects; lunch provided daily)

Please apply online using the links below:

Session I

<https://goo.gl/forms/MDTzNBLaN0ynDFr1>

Session II

<https://goo.gl/forms/h4oQJlBjK6w2g9sm1>

**Please note: the content for both sessions is the same.*
All students must also complete the registration packet, which can be found on the Hancock High School home page (<http://hancockhs.org>) and submit a \$25 registration fee to Heather Pavona at Hancock High School.
Registration fees can be paid in the main office between 8:30 a.m. and 3:30 p.m.*

Please email Heather Pavona at hzamiara@cps.edu with any questions.
